VOLUNTEER!

WITH SAINT PAUL PARKS AND RECREATION!

Saint Paul Parks and Recreation

*Helping to Make Saint Paul
The Most Livable City in America*

WHY VOLUNTEER?

Volunteers are essential to Saint Paul Parks and Recreation. With their assistance, we are able to offer the broader range of cultural, educational and recreational programs the residents of Saint Paul have come to expect and currently enjoy. Through the time they donate coaching, teaching, working in parks and fundraising, our volunteers have improved the environment and touched the lives of thousands of youth, adults, seniors, and families.

Regardless of your age, ability, or time constraints, we can find a meaningful way for you to get involved in your community and help us make Saint Paul the most livable city in America.
